

I declare that, to the best of my professional knowledge and belief, this map or plan is the result of a field survey made on the date shown, by me or under my direct supervision, in accordance with the rules and regulations promulgated by the "State Board of Professional Engineers and Land Surveyors". This property is subject to documents of record. Underground improvements, easements, rights, restrictions, right of ways, exceptions or covenants not visible or unknown to the surveyor are not shown. The illustration of any mapped or regulated environmental constraints that may be within the jurisdictional limits of federal, state and/or local regulatory agencies affecting the subject property are not included as part of contract with the client unless specifically shown.
